

# Building Product Information Sheet

|                                   |                                                                                                                                                                                                                        |
|-----------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product name/identifier           | Fitzroy Shell Blue Satin                                                                                                                                                                                               |
| Nominal format in cm              | 7.5 x 30                                                                                                                                                                                                               |
| Thickness in mm (approx.)         | 9                                                                                                                                                                                                                      |
| Material                          | Glazed Ceramic                                                                                                                                                                                                         |
| Surface                           | Matt/Satin                                                                                                                                                                                                             |
| Rectified edges                   | No                                                                                                                                                                                                                     |
| Surface slip rating if applicable |                                                                                                                                                                                                                        |
| Weight per m2 (approx.)           | 14 kgs                                                                                                                                                                                                                 |
| Box size                          | 0.99 m2 / 44 pcs                                                                                                                                                                                                       |
| PEI Rating                        | 0                                                                                                                                                                                                                      |
| Intended use                      | Suitable for wall tiling only. These tiles are technically unsuitable for floors and are intended for use as wall tiles.                                                                                               |
| Variation rating                  | 2. This number provides moderate shade and pattern variations. Pieces will vary yet be similar to each other in colour and/or pattern variations. Each piece of tile may have different colours, patterns, and shades. |
| Country of manufacture            | China                                                                                                                                                                                                                  |
