Relevant information :	With each glass tile being joined with Dot-Link technology to increase longevity as there is no backing sheet between the tile and glue. This reduces the risk of tiles falling away from the glue over time and they are suitable for fully tiled pools. <a href="https://www.squamers.com/wp-content/uploads/2022/05/SQUAMERS_Catalogo2022_web.pdf">https://www.squamers.com/wp-content/uploads/2022/05/SQUAMERS_Catalogo2022_web.pdf</a>
