

TIVOLI

Travertine effect porcelain tiles

Tivoli White Natural

Classic

Travertine effect tiles are a popular choice for interior design. They offer the aesthetic appeal of natural travertine stone while being easier to maintain and are more affordable.

These tiles are often used for flooring and wall applications, providing an elegant look to spaces such as bathrooms, laundries, kitchens and living areas.

Their versatility and durability make them a favoured choice for both residential and commercial projects.
